

Welcome to the H.D.A.O. OnLine Entry System!

We hope you find using our new online entry system easier to register for HDAO Events.

We wanted to highlight a small issue with the ***Date of Birth calendar*** in the entry. To work around it, please click on the ***year*** first and it will expand by 10 year increments every time you click. Once you get to the year you want, select it and then select the month and date. ***Please verify the date once you accept it.***

We recommend that you register as a user. This will allow you to go to 'My Account' to check on which competitions you have entered your dancer in.

We are using PayPal as the payment method. You can pay with a credit card.

Entries are not considered complete until they are paid. You will not get your confirmation email until you have paid and the entry is flagged as complete. Once you pay, Paypal will send you an email confirming your payment. The HDAO email from competition@hdaontario will follow shortly.

You must be a member of the HDAO to enter our three indoor competitions, starting with the upcoming November Nationals competition. Our membership year runs from October 1 to September 30. There is a link to Membership from the HDAO Store.

If you have any questions, send us an email on the contact page and we will get back to you.
